Equus Somni | 580 x 385 x 150mm

# André Prinsloo

sculptor

“Once again I’m able to meet and work with like-minded people, sharing ideas, work methodology etc. So far it’s been a fun and an amazing experience. I don’t care much for accolades and such – it’s more about the experience of making sculpture and in a very selfish way pleasing myself. If my work happens to please you it’s an absolute bonus..”
